

“HODGEMAN COUNTY LAND RUSH”

BUSINESS AND RELOCATION INCENTIVE PACKAGE

This is a program designed to help and welcome new members to our communities and to Hodgeman County. Applicants can use this package with the “Hodgeman County Land Rush” in which you receive funding to move into the county and build a home. Furthermore, applicants can also take part in the *Business and Relocation incentive package* just by moving into the county and buying an existing home.

The package includes many gift certificates to use throughout the county at different businesses. Everything, from getting a hair-cut to purchasing an oil-change, to sitting down to a homemade hamburger. Furthermore, applicants also receive a one-year, free, family membership to the Cheyenne Hills Golf Course, the local swimming pool, the Jetmore City Lake, and a one-year subscription to the Jetmore Republican, which is the county newspaper.

This package also includes a Scholarship Fund for any applicants that purchase a home in Hodgeman County and have School age children that will be going to one of the two school districts in Hodgeman County. This is for families that have children and have enrolled them in school. We must have a copy of the enrollment receipt in order to pay the Scholarship to the families.

We want to welcome anybody and everybody to our county and to enjoy our “good quality of life” here in Hodgeman County. Please call Hodgeman County Economic Development @ 620-357-8831 or stop by the office located inside the court house on Main Street in Jetmore.
